Dear colleague,

**CVL Network – Network Code Condition G1 Network Change Proposal:  
Variation 1 to the Establishment of the TAM Commissioning (CVLNCCP01-G1-02)**

The consultation period for the CVL Network Change as described above has now concluded and I am pleased to advise that any objection, comment or query received has been satisfactorily resolved.

As such, the change has now become an established CVL Network Change as defined in Part G of the CVL Network Code. The works necessary to achieve the established CVL Network Change can now be undertaken. Should there be any proposed future variations to the established CVL Network Change, I will contact you again.

Thank you for your co-operation in processing this proposal as required under Part G of the CVL Network Code.

Yours faithfully,

**Nick Rowe**
