Dear colleague,

**CVL Network Code Condition G1 Short Term Network Establishment Notice:
Down Rhymney Loop and Rhymney Sidings South Access - Temporarily Out of Use
(ELR: CAR 12m 70ch to 13m 37ch & CAR 23m 53ch)**

The consultation period for the CVL Network Change as described above has now concluded and I am pleased to advise that any objection, comment or query received has been satisfactorily resolved.

As such, the change has now become an established CVL Network Change as defined in Part G of the CVL Network Code. The works necessary to achieve the established CVL Network Change can now be undertaken. Should there be any proposed future variations to the established CVL Network Change, I will contact you again.

Thank you for your co-operation in processing this proposal as required under Part G of the CVL Network Code.

Yours faithfully,

Gary Davies-Knight
